

# Can't wait for the long, hot days of summer?

For far less than the cost of camp or just one week at the Shore, your entire family can cool off and relax every day this summer at Highland Swim Club.

Located in the heart of Scotch Plains, Highland offers plenty of sun and shade. It's a family-friendly alternative to the large, crowded public pools in surrounding towns.

Highland members enjoy:

- New clubhouse and refinished L-shaped 25-meter pool
- Professionally-coached competitive swim team
- FREE swim lessons for member children
- Adult lap lanes
- Social events for adults, families and children
- Gated kiddie pool area, playground and basketball court
- Snack concession area with umbrella seating

The club is now offering flexible payment options for new members. For more information, visit [www.hscpool.com](http://www.hscpool.com) or call (908) 889-4804.
